

Work Area Recovery Suites Services (WARs)

Business Continuity and Disaster Recovery
Planning

November 2015

Information Development Singapore Pte. Ltd.

What's WARs Services?

- Provision of an **alternative office**, in case a disaster happened at the main site (office)
SHARED / DEDICATED seats
- For **dedicated** seats, the WARs room is customisable to suit customers' environment and security level.
- **Crisis Officer** would be available on-premise in case of a disaster to assist in overseeing the disaster recovery process.

Advantages of WARs

- Available in small numbers of seats
(**10** seats onwards)
- Expertise in BCP
- **OPEX** (Operational Expenditure) vs CAPEX
- 24x7 availability, supported by UPS power
- 99.9% SLA of 4 hours RTO
(Response Time Objective - Conformance to MAS)

Why us?

- Nearly 25 years in DR and BCP services for Government Agencies, Japanese Financial companies
- Direct connection to Data Centre
- High security with many layers
- Well-maintained, High- tech Facilities
- Near amenities
- Expansion plans

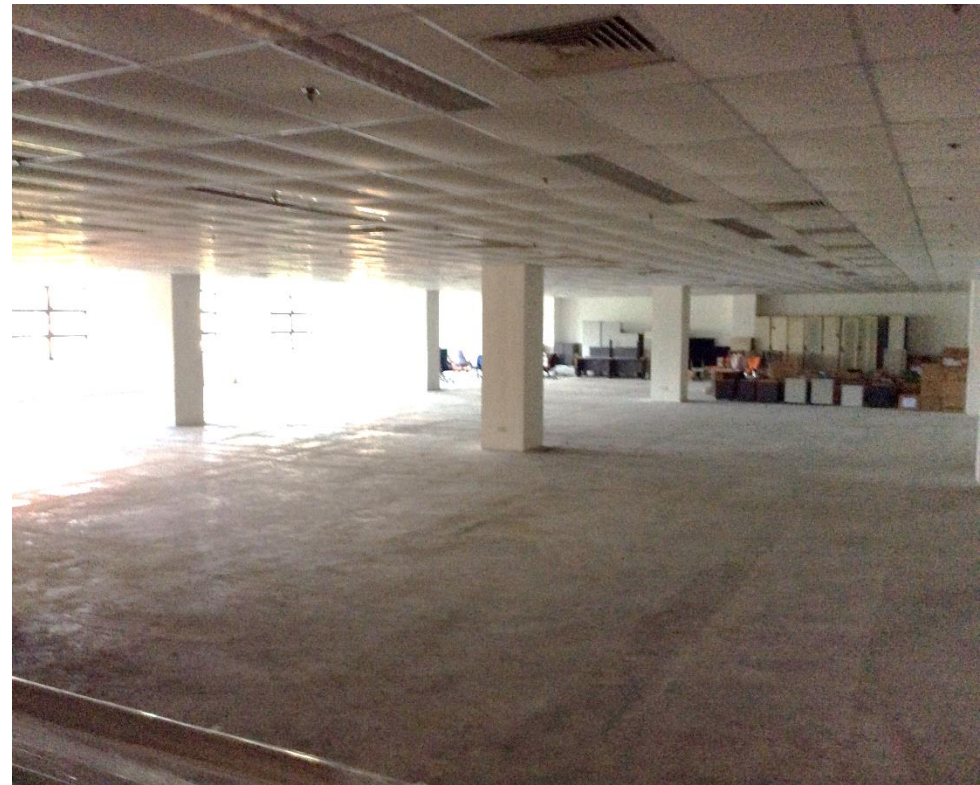

Accessibility & amenities

- Between 2 MRT stations (Green line)
- A bus stop in front of the side gate
- 10-15 minutes drive from CBD
- Café or coffee shops – walking distance
